24 BERGEN DRIVE  
DEER PARK, NY 11729  
JASON11GOLDBERG@GMAIL.COM  
(516) 607-2367

## OBJECTIVE

---

Seeking contract and freelance opportunities to assist in computer programming and graphic / web design projects.

## EDUCATION

---

Computer Information Systems, B.S. May 2005  
University at Farmingdale - Farmingdale, NY GPA: 3.3/4.0

Specialized in business information systems, specifically focusing on Business Flow and Processes, Graphic User Interface Design, Database Design, and Data Management. Took part in building real-world solutions both alone, as well as in a team environment.

## EXPERIENCE

---

Owner @ Jason Goldberg Studios - Lindenhurst, NY Nov 2003 – Present  
Produce custom websites, software applications, and hardware solutions for clients on a contract/freelance basis. Portfolio objects available upon request.

Product Specialist @ Alpha Communications - Farmingdale, NY June 2007 – Present  
Meeting with customers and potential customers to demo new products as well as to maintain business relations with them. Field questions and concerns they have with our service as well as act as the middle man between them and the company. Create marketing materials for our customers in an effort to help them better sell our product.

Senior IT Developer @ TheraCare of New York - Islandia, NY May 2005 – June 2007  
Responsible for Business Information System development, quality assurance, and training for over 800 Clinicians who would be using the systems. Systems were designed by meeting with the end users, obtaining an understanding of their business information flow, and producing solutions that would best fit their needs. Other responsibilities included report creation, technical support, and optimization of exiting code.

Head of Development @ Alpha Media, Inc. - Farmingdale, NY Dec 1998 – May 2005  
Responsible for seeing software applications through the entire development process. This included design, GUI, coding, quality assurance, manual creation, documentation, and marketing materials.
